This work was prepared by me or under my supervision and construction of this project will be under my observation. (Observation of construction as defined in the rules and regulations of the Board of Professional Engineers, Architects, and Surveyors of the State of Hawaii) NOTE: Contractor to check and verify all dimensions before proceeding with any work. Contractor shall not do any work contrary to the IBC or RBC and local building and zoning codes. If work contrary to the Codes is carried the contractor shall by virtue of doing the work assume total and full responsibility for the work. Contractor shall not cover any work until Special Inspections have been completed and written approval has been obtained.
